Specializing in consulting and receiving documents for travel, summer camp, study abroad and immigration.

CANADA WELCOME 1,200,000 NEW IMMIGRANTS IN THE NEXT 3 YEARS

The Canadian Government officially announced the Immigration Plan from 2023 to 2025 on January 11, 2022, as follows:

- Target to welcome 465,000 new immigrants by 2023
- Target will increase to 485,000 new immigrants by 2024
- Target continues to grow to 500,000 new immigrants by 2025

The target for Express Entry will increase as follows:

- 82,880 in 2023
- 109,020 in 2024
- 114,000 in 2025

Goals for the PNP for economic-class immigrants:

- 105,500 in 2023
- 110,000 in 2024
- 117,500 in 2025

Canada will continue to welcome about 80,000 new immigrants each year under the spousal and child sponsorship category.

The goals for parent and grandparent leadership will increase to 28,500 in 2023, followed by 34,000 in 2024 and 36,000 in 2025.

New immigrants attach special importance to the workforce as well as the development of the Canadian economy, so the government of this country should promote welcoming immigrants to Promote economic development and family reunification.
